Letter No nil dated 26th April 1945 from the Radiologist Victoria Hospital Bangalore to the President, Bangalore City Municipality, Bangalore

---

I am glad to inform you that with the help of your contributions so kindly given two X-Ray therapy apparatus have been installed in the X-Rey department of the Victoria Hospital at a total cost of about Rs 40,000/- 95% of which are either contributions or donations Now to provide accommodation for inpatients suffering from cancer and other Skin deseases Dharmaprakasa B M Srinivasiah Esqr has donated Rs 20,000/- for the construction of the top floor of the present building and has also promised to make a gift of an electric lift at a cost of Rs 15,000/- Further Mr Jeenu Bhai of Davidess & Co , and Mr Nagiah Setty of Yedalam Subbiah Setty & Co have donated Rs 35,000/- for the extension of the building and also to provide accommodation for the inpatients Government are pleased to accept both and the subject are under their active consideration

In the meanwhile, I am sorry to say that the question of radium has not been settled as yet This is an important adjunct in the treatment of cancer cases Except for a small quantity of radium in Mysore, there is no radium at all in the whole State It is now proposed to have atleast 500 mgs of radium element in Bangalore at a cost of one lakh- a quantity befitting the premier City of Bangalore

I have a very sad opportunity of seeing the miseries of these patients and it pains me most to say that there is no radium in Bangalore and therefore to direct them to a distant place like Madras I therefore beg permission to approach you again to come to the succour of these patients and contribute liberally to purchase atleast 100 mgs of radium element costing about Rs 25,000/- and the balance of the amount to be needed to be met by public donations
